LIVE IN-PERSON EVENT

RECONNECTING WITH YOUR FIVE SENSES

AUGUST 25, 2022 • 11:00 AM - 3:00 PM ET
THE ART GALLERY OF ONTARIO, 317 DUNDAS ST W, TORONTO
As we slowly go back to the “old normal”, we are pleased to announce the 2022 edition of our annual summer event Women in the IT Channel Recognition Luncheon.

This live event will bring together all the networking, inspirational presentations, a little bit of music and surprises that you have come to expect while we rejoice unleashing our senses in a long-missed gathering with the Women in the IT Channel community. Do you miss it as much as we do?
The luncheon will be a live event for a much needed in-person networking opportunity with like-minded women in the Channel. The outdoor atmosphere setting will allow everyone to enjoy a sumptuous lunch with light music while celebrating the Women’s achievements in the IT Channel.

Stories on the presentations, panels, and winners will be amplified through the ITWC network of publications and on social media.
